

INFLAMED CELLS: LATEST NEWS FROM INSIDE

MARCH 15, 2019 | PASTEUR INSTITUTE PARIS | FRANÇOIS JACOB AUDITORIUM

SESSION 1

Inflammation initiated by stressed organelles

Fabio Martinon | University of Lausanne, Switzerland

Activation and regulation of the inflammasome

SESSION 2

Metabolic Reprogramming and Inflammation

Edward J Pearce | Max Planck Institute, Freiburg, Germany

Metabolic compensation for self-inflicted damage during macrophage activation

SESSION 3

New intracellular sensors of danger in inflammation

Nicolas Manel | Curie Institute, Paris, France

Activation of innate immune sensors by viruses and self

SESSION 4

Imaging cellular and molecular mechanisms of inflammation

Philippe Bouso | Pasteur Institute, INSERM U1223, Paris, France

Spatiotemporal regulation of inflammatory responses

Organizing Committee

Caroline Demangel, Isabelle Couillin, Jean-Claude Lecron,
Benoît Marteyn, Mustapha Si-Tahar and Xavier Norel

One day GREMI meeting, 12 talks will be selected from the submitted abstracts + Poster session

Abstract submission dead line: February 4th, 2019 (on-line, <https://gremi.asso.fr>)

Number of participants is limited to 125 places.

Full price 120 euros, Reduced price 60 euros (students, post-doc <35 y/o, ITA).
